

Dear Fifth Grade Parents,

Those students entering the 5th grade will be required to read *The Lion, The Witch, and The Wardrobe* by C. S. Lewis during the summer months. The rationale behind a summer reading assignment is to help students at least maintain the reading skills he/she has acquired during the school year. Research proves that students who read during the summer break period will **increase fluency, vocabulary, and comprehension**; however, those children who do not read during the summer lose two to three months of reading development.

The report form is attached and students will complete this form once they have finished reading the book. ***The report form will be turned in to the reading teacher on the first day of school.***

It is our hope that this will be a “stress-free” and enjoyable activity for our students. We hope you will enthusiastically support this program and make reading a daily part of your child’s summer.

The Lion, The Witch, and The Wardrobe may be checked out of local libraries or purchased at bookstores or online.

HAPPY READING!!
